In the Court's order dated March 10, 2022, the parties were directed to review the Court's Individual Rule 2(C) regarding the submission of pre-motion letters. Dkt. No. 63. Pursuant to Individual Rule 2(C), pre-motion submissions are required for motions to compel. Individual Rule 2(C)(ii) directs counsel to submit a single, jointly composed letter describing their discovery dispute. Plaintiff did not file such a pre-motion submission before filing a motion to compel on July 25, 2022. Dkt. No. 78. Accordingly, that motion is denied without prejudice. If Plaintiff wishes to renew the motion at a later date, Plaintiff is directed to do so in compliance with the Court's Individual Rule 2(C).

The Clerk of Court is directed to terminate the motion pending at Dkt. No. 78.

SO ORDERED.
